

Animal Adaptations On-site Activity

K- 3

Name _____

1. Look for an animal with big ears.

Draw the whole animal or write the name.

Why does this animal have such big ears?

2. Find an animal like this one.

Draw the part of this animal that helps it hang from trees.

3. Find this animal

Draw the rest of this animal.

This animal has long eyelashes to protect it from what it walks through in the desert. (You find it at the beach). What doesn't it want to get in its eyes?

4. This animal likes rivers!

Draw the rest of the animal.

What does this animal use its webbed feet for?

5. Find this animal.

Here are its feet.

What do you think the animal uses its feet for?

Draw the tool you use to do this with snow in the winter!

6. Find this animal.

Draw the underwater plant it is trying to look like!
